**THE WORDS I WRITE ARE VERY IMPORTANT AND CHANGES MUST BE MADE TO CORRECT A BAD FAITH ATTORNEY WHO HAS BEEN VIOLATING MY INTELLECTUAL RIGHTS AND PROPERTY OF MY INVENTION THE PET CARRIER SWEATSHIRT FOR MY FINANCIAL GAIN FOR MY HUSBAND AND CHILDREN. THIS IS NOT FOR HIRED ATTORNEY FLOYD CAROTHERS FINANCIAL GAIN.**

*I never authorized my name Joan Fugazzi to be on an AO allowing Attorney Floyd Carothers to have Power of Attorney for all my Property to do whatever he wants.*

**I NEVER SIGNED ANY PAPERS TO MAKE ATTORNEY FLOYD CAROTHERS MAKE HIM HAVE POWER OF ATTORNEY OVER ME AND ALL OF MY PROPERTY.**

*This is a Violation of my name and my Invention that I made for financial gain for me, Joan Fugazzi.*

**I BELIEVE THIS IS A CRIMINAL VIOLATION**

*I have been a Victim of an Intellectual Rights and Property Attorney who committed theft and caused me tremendous stress and hardships since the day I made an appointment with Attorney Carothers and showed Attorney Carothers my brand-new Invention. Attorney Carothers who is an Intellectual Rights and Property Attorney has caused me the loss of my Invention royalties due to me as an Inventor. That I am rightfully entitled to as an Inventor of the Pet Carrier sweatshirt. Because I never made a penny on my Invention.*

*With Attorney Carothers 56 years of Intellectual Rights and Property Attorney and his education, you would think he would know better to cause such damage and hardships and thief on an Innocent Inventor of a brand-new Invention that many would love, and would change the world for pets and pet owners with a loving caring item for pets.*

*I have been left out of my Invention the Pet carrier Sweatshirt that I made for my dog Spike, because he was sick and he needed to be carried all the time. Because of Attorney Floyd Carothers.*

*I created a Loving Caring Way to carry a small pet ten pounds and under, so you can have two hands free, to do whatever your like, and the pet is comfortable and safe in a pocket.*

*And I have been left out of my Important Invention that I made with my mind, because of greedy attorney taking from an innocent client that went to his office to just get a Patent Search and a Design Patent.*

*I have spent 20 years with my invention and I have spent over \$25,000 invested in my Invention taken from me with an Attorney is not right. He is a thief and this is criminal.*

*I was concealed of all activities from the day I showed my Invention the Pet Carrier Sweatshirt to Attorney Carothers. I called the next day to ask Attorney Carothers a question and his wife answered the phone and she said Attorney Carothers was very busy working with my Invention and he could not come to the phone. Attorney Carothers cold have included me in my Invention. That day. But he chose not to.*

*But instead he took all of my Contacts I shared with him, and he left me out of big company's like PetSmart, Walmart, Petco. Sara Lee and Russel Company.*

*I WAS Working WITH Attorney Carothers I was trusting him because I am not a patent attorney.*

*I wanted him to draw up these 5 big contacts, so I included his name to these company and he left me out of all my time, money making pet carrier sweatshirt, that I hired women to make professionally and I hired a man to make a DVD and all of this cost a lot of money. Only to be left out from an attorney that should have been trusted.*

PLEASE HELP ME. I ask for Funds and Asset Recovery From a bad faith intellectual Rights and Property Attorney who infringed criminal activity on my Invention Idea that I created for me and my family success, and Attorney Carothers infringed on my beautiful new Invention only for his Financial Gain, from day one I showed him and he never informed me of all transactions he did with my Invention, Infringing and Violated on my Intellectual Rights and Property. And he still continues violating my Intellectual rights and Property, this hired attorney needs to pay me my Royalties due to me as an Inventor of my Invention.

I NEVER FILLED OUT THE PAPERS TO APPOINT ATTORNEY CAROTHERS TO BE MY AGENT, ASSIGNEE, THIRD PARTY, POWER OF ATTORNEY OVER ALL MY PROPERTY OR JOINT INVENTOR. I WOULD HAVE ONLY ALLOWED MY HUSBAND AND MY THREE CHILDREN TO DO SUCH IMPORTANT POSITIONS.

I AM THE ONLY OWNER OF MY PET CARRIER SWEASHIRT INVENTION. And my Invention is my Intellectual Rights and Property, that I created to have Financial Gain and Success, my plan in my life. Attorney Carothers violated my five big contacts that I made myself, and I told him and informed him what I was doing, and I included him to help me as a paid attorney, and he left me out of five major companies. He never paid a penny in Royalties to me and he took over my Walmart, PetSmart, Petco, Sara Lee, and Russell Company Disney and many more Account that I Introduced to Companies to make money.

I understand Carothers opened an account with you under my name Joan Fugazzi pet carrier sweatshirts

Attorney Carothers is a hired Intellectual Rights and Property Attorney that I hired in June 2004 to do a Patent Search that proved there was never anything invented before like my Pet Carrier Sweatshirt. and a Design Patent.

Patent Office informed me in May 2022 he got 2 Design Patents. Both I paid for, and Attorney took power of Attorney over my 2 Utility Patent also he did not tell me when they were maintained fees due and he charged me Over \$3,500 for one of my one Utility Patents that he took power of attorney over. I was billed and I paid. And he never went over anything with me from the start. He used all my Patents International for his own use. Violating my Intellectual Rights and Property as an Inventor. I BELIEVE HE Licensed my Invention to many people and business without my Authorization the Inventor.

He took over all my patent mail from 2004 to present, so he never informed me of any maintenance fees or fees on my patents and Trademark.

Patent Office said he got a Design Patent copying my Design Patent, several people in the patent office said Attorney Carothers needed to pay me for the use of my Invention the Pet Carrier Sweatshirt.

The Patent Office said a Patent attorney can only take power of attorney for one year. He is taking over forever it looks like, and he must be stopped. I want Attorney Carothers with all of the damages he has caused me to be stopped entire forever with my invention, my intellectual rights and property. And also, attorney Floyd Carothers several family members and his partner attorney Beck and Associates to be banded from all correspondence with my Joan Fugazzi Pet Carrier Sweatshirt Invention.

He took my Design Patent, Utility Patents, and Trademark and made them International, without any authorization from me the Inventor.

I invented this Invention for my chihuahua dog that I purchased in 2001 who was sick and he had to be carried all the time. So, I invented the first loving caring way to carry a pet ten pounds and under.

This Attorney has done tremendous Damage to me as a client of his. He infringed on my United States of America Patents and Trademark from the day I showed him my Pet Carrier Sweatshirt.

He did a costly Patent Search, and I asked him many times for a copy, and he never gave me a copy of my Patent Search.

He got an AO on me in Delaware and he took power of attorney over all my patents and all my property, to do whatever he wants to do, he writes in Delaware.

PLEASE HELP ME RECOVER FUNDS and ASSET RECOVERY DUE TO ME AS AN INVENTOR

I PROVE Attorney Carothers Guilty of Infringement on my precious Invention that I made with my Mind.

And I add many attachments to prove what I am writing

I HAD A DREAM MY WHOLE LIFE SINCE I WAS A CHILD, I WANTED TO CREATED SOMETHING THAT WOULD MAKE THE WORLD A BETER PLACE MY WHOLE LIFE.
